		1/1
		01/11/2025
TITLE: MAN20 QUALITY & ENVIRONMENTAL POLICY		

It is the policy of Jonarve Limited to maintain a quality and environmental management system designed to meet the requirements of the current editions of BRCGS Consumer Products, ISO22716 and ISO14001 in pursuit of its primary objectives, the purpose and the context of the organisation. Jonarve Limited also operate under Good Manufacturing Practices (Article 8) of the current edition of the EU Cosmetics Directive Regulation (EC) 1223.

It is the policy of Jonarve Limited to ;

- Produce safe and legal products manufactured to the highest level of quality designed to give satisfaction to all our customers, other stakeholders and interested parties whenever possible, meeting and exceeding their expectations.
- Comply with all legal requirements, codes of practice, compliance obligations all other requirements applicable to our activities including the nature, scale and environmental impacts of its activities, products and services.
- Provide the resources of equipment, training and any other requirements to enable objectives to be met.
- Ensure that all employees are made aware of their individual obligations in respect of the Quality and Environmental policy. That they receive training to ensure awareness and understanding of Quality, Environment and impacts on customer service and the service we provide.
- The reduction of hazards, prevention of injury and the protection of the environment, including prevention of pollution, sustainable resource use, climate change mitigation and adaptation, the protection of biodiversity and ecosystems and any other specific commitments which are relevant to the context of the organisation.
- Maintain a management system that will achieve these objectives and seek continual improvement in the effectiveness and performance of our management system.
- Ensure that customer service is fulfilled as an essential part of the Quality and Environmental process.
- Ensure we maintain our awareness for continual improvement by regularly reviewing the Quality and Environmental systems to ensure they remain appropriate and suitable to our business. The Quality and Environmental systems are subject to both internal and external audits.
- Responsibly manage our waste, energy and promote the use of sustainable transport initiatives, where we can.
- Use this policy to provide a framework for setting, monitoring, reviewing and achieving our objectives, programmes and targets.
